Art-ventures with Pigasso and Mootisse

Art explorers learn about real artists, their vision of the world and the materials and techniques they use or used. Think about famous artists like Picasso, Matisse, van Gogh, Modigliani, Homer and more. Included are fun and funky 3-D projects using unconventional and sometimes kooky, artist's techniques and materials. During this art-packed week create vibrant tie dyed t-shirts, decoupage large paper mache peace signs, design leather wristbands and celestial stained glass, and experiment with emotion collages, mosaic art and so much more. Discover how far your creativity can go! Includes Face Painting or Glitter Tattoos!
