Art We There Yet? World Treasures Art-ventures for Gr. 3-5

Grab your passport and climb aboard! During this multi-cultural art exploration, young art travelers jet from continent to continent, and discover amazing art secrets hidden all across the globe. Borrowing from Native American art traditions, craft colorful Shrinky Dink sun catchers and sculpt "All About Me" clay totem poles. Create flower pots with feet and funny faces, inspired by ancient pottery found in the Philippines. Design intricate, eye-catching Mehndi art gloves in India and bold metal embossing masterpieces in Greece. Make Aboriginal clay masks, and try special Italian scratch art. Plus, draw African elephants, make t-shirts inspired by Panama fabric art, sculpt Burmese marionettes, and decorate festive skulls inspired by Mexican calaveras. Art-venturers experience a multitude of art techniques, and bring home masterpieces (mostly 3-dimensional) each week. Fun facts about each country and culture are included. **The only thing kids need to pack is their imaginations!**
