Just for Fun Art-ventures for Gr. K-4

Get ready to "create some fun"! Just for Fun Art-ventures lead children on an imaginary tour through the world's greatest art museums, inspiring creativity through exposure to the FUN-damentals of artist's tools, techniques and art forms, many inspired by the masters. Think O'Keefe, Kandinsky, Matisse, Chagall, Picasso and more. But don't just admire these great works—decorate your home with masterpieces of your own! Experience painting on stretched canvas, playing with clay, and coloring with oil pastels. Create self-portraits, paint your dreams and make Cubist costumes. Explore the art of mosaics, decoupage, and fiber collage. Creatively educational, whimsical and unconventional, these art-ventures welcome children into a world of artistic wonder. Children bring home beautiful masterpieces each week, sure to transform any home into a gallery!
