"Happiness...it lies in the joy of achievement, in the thrill of creative effort." --Franklin D. Roosevelt

Lions and Tigers and Pigs, Oh My! Gr. K-5

Animals have been an important subject for artists all over the world since the beginning of time. From ancient caves to the present day, magnificent creatures can be seen in paintings, sculptures, ceramics, mosaic art, fabric design, masks and stained glass. On a wild journey through the animal kingdom, art adventurers discover a multitude of kooky critters— as well as their own creativity —while exploring various techniques, tools, and materials. Stained glass giraffes, fabric dogs, ceramic pigs, wooden snakes, colorful dinosaurs, and clay lions with fluffy fiber manes—these are just a few of the animals created during our awesome art excursions. Fun facts about each creature are included. A ROARING good time!
