Art We There Yet? World Treasures Art-ventures Gr. 2-4

Grab your passport and climb aboard! In this multi-cultural art exploration program, young art travelers jet from continent to continent, and discover amazing art secrets hidden all across the globe. Borrowing from Native American art traditions, craft colorful Shrinky Dink sun catchers and sculpt "All About Me" clay totem poles. Design intricate, eye-catching Mehndi art gloves in India and bold metal embossing masterpieces in Greece. Make Aboriginal clay masks, draw African Elephants, and try a special kind of Italian scratch art, called "sgraffito." Plus, even create your own Animal T-shirts inspired by Panama Molas (fabric art). Art-venturers experience a multitude of materials and techniques, and bring home 2- and 3-dimensional masterpieces each week as souvenirs from their travels. Fun facts about each country and culture are included. **The only thing kids need to pack is their imaginations!**
