2nd 6 weeks! Lions and Tigers and Pigs, Oh My! Gr. K-5

For new and continuing art explorers. Animals have been a subject for artists all over the world since the beginning of time. From cave paintings to present day they can be seen in paintings, clay sculptures, ceramics, mosaic art, fabric design, masks and stained glass. In this class, young art explorers discover their creativity while using imaginative art techniques, tools and materials. Create stained glass giraffes, sculpt clay hippos, and draw snakes with textured scales. Turn keepsake boxes into totally terrifying tigers, make animal mosaics, and decorate animal hand puppets! Plus, create your own colorful animal t-shirt! Fun facts about each animal are included. Kids bring awesome works of art home each week. **Don't miss the fun!**
