Wed, 3/4. Robots Eat Ice Cream

Paint ceramic robot banks with shiny metallic colors. Then learn about textures and printmaking by using a surprising array of everyday objects to create colorful ice cream collages. Finally, design robots using miscellaneous metal hardware. Cool!

Thurs, 3/5. It's Raining, It's Pouring

But nobody's snoring in this exciting springtime art-venture! Decorate real umbrellas with colorful, waterproof inks, sculpt birds out of neon clay and create cool umbrella collages with decorative papers. Rain or shine, everyone will have a blast!

Fri, 3/6. Silly Cities and Wiggly Waves

In this cross-country art-venture, don't just admire the scenery... Create it! Travel to the countryside to design model houses with a mosaic roofs. Then grab oil pastels and build 3D cityscape collages. Finally, paint ocean waves that crash right over the edge of the stretched canvases.
