Monday, 4/13, Join the League of Super Art Heroes: Soar off on a top-secret mission to save planet Earth using the most important superpower of all: imagination! Prepare yourself by building a Superhero sidekick to accompany you on your missions to save the world. Create your Superhero name and design your Superhero logo. Build secret comic book boxes to store your most valued superpower tokens.

Tuesday 4/14, Suit Up, It's Planet Saving Time: Superhero boys and girls create their disguises to protect their identities while on their planet-saving missions. Design your own frisbee shields, Superhero eye masks, and tie-dye marker capes! Then, draw Superhero self-portraits while decked out in all your new Superhero gear.

Wednesday, 4/15, Heroes...Stop That Litterbug!: Join the mission to save planet earth, one litterbug at a time. Paint canvas grocery bags to collect your mission supplies, and color ceramic Superhero banks to store your fortunes. You'll also create Superhero wrist cuffs, so you can call home while you're out saving the planet.

Thursday, 4/16, Your Mission, Should You Choose to Accept It: A Superhero's job is never done. In this super-art-venture, Junior Superheroes will experience a variety of art forms using natural, recycled, and unconventional materials and techniques. Create yarn art on jars and design mosaic masks with beans. Design and decorate Superhero beaded bracelets, to add to your costumes or gift to your biggest fan.

Friday, 4/17, Get Ready to Soar: Junior Superheroes finish their Superhero training with a round of space travel. Make Superhero stained glass to hang in your home base. Paint Rocketship's on canvas and construct your very own super-vehicles. Graduate from Superhero Academy with a personalized certificate and the power to change the world.
