MORE BREAKING ALL THE RULES: UNUSUAL & SURPRISING ART After School at Powder Mill

"Happiness...it lies in the joy of achievement, in the thrill of creative effort." --Franklin D. Roosevelt

**STARTS
Apr 2nd!**

2nd 6 weeks of Breaking All the Rules: Unusual & Surprising Art (Gr. 3-6)

For new AND continuing art explorers! All new projects.

In this awesome art program, specially designed for grades 3 - 6, we'll look at old techniques from refreshing new angles, and combine materials that don't usually go together to create totally unexpected masterpieces. Borrow skills from both sculpting and drawing to create wacky **Clay Bobble Head Animals**, and transform regular light bulbs into gorgeous **Hot Air Balloons**. Head out to the Wild West to draw **Wanted Poster Self-Portraits**, then travel back to medieval times to craft **Metal-Embossed Knights in Shining Armor**. Paint shockingly bright **Neon Zebras** on canvas and piece together **Found Object Assemblage Art** out of a strange assortment of items. Art-venturers bring home unconventional and utterly fantastic two and three-dimensional works of art each week.

Thursdays, 2:50 - 3:50pm

Apr 2 - May 14 (no class 4/23)

Fee: Only \$83 for 6 weeks of Art Fun! All art materials included!
