## SUPERHERO ART EXPLORERS: SAVING PLANET EARTH

*Sponsored in conjunction with Farmington Continuing Education*

Each session is live and interactive with our very own creativity specialist and other kids

**STARTS  
Nov 2nd!**

### Superheroes: Saving Planet Earth for Gr. K - 4

Superhero girls and boys soar off on a top-secret mission to save planet Earth using the most important superpower of all: imagination! Like Powerpuffs and Spider Boys, we'll design our own **superhero masks, shields, and capes** to protect our secret identities, and even build **superhero sidekicks** to accompany us as we save the world. Build **secret comic book boxes**, design **superhero stained glass**, and create colorful **onomatopoeia drawings**. During these fun and resourceful art experiences, Super Art Heroes create a variety of AMAZING and original works of art using natural, recycled and unconventional art forms and techniques. Both girls and boys will have a blast as members of the League of Super Art Heroes, saving the Earth with exciting and environmentally-conscious masterpieces.

### **Mondays, Nov 2 - Dec 7, 4:15 - 5:15pm**

**Fee: \$84** includes all SPECIALTY project materials provided, without basic art supplies. Don't have/can't get markers, glue and brushes? For an additional \$59 we'll include all the basic materials needed - including some that your child will be able to reuse over and over again!
