Superheroes: Saving Planet Earth for Gr. K - 4

For new or continuing art explorers! Superhero girls and boys soar off on a top-secret mission to save planet Earth using the most important superpower of all: **imagination!** Like Powerpuffs and Spider Boys, we'll design our own **bean mosaic superhero masks** to protect our secret identities, and paint super cool rocket ships to zoom around in as we save the world! Get into character by coloring **ceramic superhero banks** and making superhero wrist cuffs.

Explore the art of printmaking while designing **bubble wrap t-shirts** and draw inspiration from the famous Batmobile as you construct your own **super vehicles**—cars, planes, spaceships, etc.—using a wide variety of surprising and sustainable items.

During these fun and resourceful art experiences, Super Art Heroes create a variety of AMAZING and original works of art using natural, recycled and unconventional art forms and techniques. Both girls and boys have a blast as members of the League of Super Art Heroes, saving the Earth with exciting and environmentally-conscious masterpieces.
