3 Hrs of
 Art Fun
 each day!

Thursday, 3/9, Alien ART-vasion

Young art-stronauts shoot for the stars in this outer space art-venture program! Sculpt wacky aliens with Model Magic clay, and build UFOs for them to fly around in. Learn about symmetry while creating alien drawings based on the letters of your name. Then get a little messy concocting glittery galaxy play dough!

Friday 3/24, Electric Zebras and Neon Totes

Get ready for electrifying art-ventures! Explore pattern and color while painting bright, exciting zebras on canvases! Create totally wild neon geometric designs on tote bags using a special resist technique. Then make rainbow mandalas with a variety of vibrant embellishments!

Friday 5/19, My Animal Me and the Clay Safari

Creating with clay! According to pre-Columbian legend, each person shares a common destiny with an animal—called a “Tona”— that matches his or her personality. (Think bird for someone who likes to sing or cheetah for someone who is a fast runner.) During this workshop, sculpt awesome “Tona” masks out of clay, then bring them to life with paint, feathers, and more! Plus, design and decorate ceramic dinosaur banks, and create detailed drawings of brightly colored owls.
