Lions and Tigers and Pigs, Oh My! ART-ventures Gr. K-2

Animals have been an important subject for artists all over the world since the beginning of time. From ancient caves to the present day these magnificent creatures can be seen in paintings, sculptures, ceramics, mosaic art, fabric design, masks and stained glass. On a wild journey through the animal kingdom, art adventurers discover a multitude of kooky critters--as well as their own creativity--while exploring various techniques, tools, textures and materials. Stained glass giraffes, fabric dogs, ceramic elephants, wooden snakes, colorful dinosaurs, and clay lions with fluffy fiber manes. These are just a few of the animals created during our cool and playful art excursions. Fun facts about each creature are included and masterpieces go home each week. A ROARING good time!
