Art-ventures with Penguins and Polar Bears Gr. K-5

Embark upon a journey through the Arctic and Antarctic regions to learn about the captivating lives of penguins, polar bears, and other cold-weather creatures. In this fun, art-packed series, art explorers—equipped with a myriad of unique materials, tools, and techniques—set out on an adventure across frozen tundra to discover life in and around the icy waters of the earth's Poles. Sculpt **clay polar bears** and **penguin reliefs**. Build **sand castle lighthouses** and create **shimmery sea jellies** out of recycled materials. Paint sharks or fish on **stretched canvases**. Design **hats** as colorful as the Northern Lights, make **gyotaku fish print aprons**, and transform plain **t-shirts** into oceans teeming with creatures. Explore the art of **decoupage, collage, stained glass** and **so much more** while learning fun facts about endangered creatures and the importance of being kind to our earth and oceans.
