

## ART-ventures for Kids

### BREAKING ALL THE RULES: UNUSUAL AND SURPRISING ART

After school for Canton Intermediate School held at  
Canton Community Center

STARTS  
Jan 22nd!

#### Breaking All the Rules: Unusual and Surprising ART Gr. 4-6

In this all-new program, we'll look at old techniques from refreshing new angles, and combine materials that don't usually go together to create totally unexpected masterpieces. We'll also take inspiration from famous artists known for bending the rules of art! Design **Textured Pendants** using printmaking techniques on clay, give landscape art a new twist by painting on **Stained Glass Lanterns**, and borrow skills from both sculpting and drawing to create silly **Clay Bobble Head Animals**. Paint colorful **Fabric Collage Dinnerware**, and head out to the Wild West to draw **Wanted Poster Self-Portraits**. Create **Mixed Media Roosters** based on Picasso's paintings, try out M.C. Escher's mind-bending drawing style while designing **Tessellation T-shirts**, and build interactive **Magnetic Paper Sculptures** inspired by Frank Stella. Art-venturers bring home unconventional and utterly fantastic two and three-dimensional works of art each week.

**Mondays, 3:00-4:00pm**

**Jan 22 - Mar 18** (no class 2/19)

**Fee:** \$170 for 8 weeks of ART Fun! All materials included.
