"Happiness...it lies in the joy of achievement, in the thrill of creative effort." --Franklin D. Roosevelt

Superheroes: Saving Planet Earth for Gr. K-5

Superhero girls and boys soar off on a top-secret mission to save planet Earth using the most important superpower of all: imagination! Like Powerpuffs and Spider Boys, we'll design our own **superhero masks, shields, and capes** to protect our secret identities, and even build **superhero sidekicks** to accompany us as we save the world. Build **secret comic book boxes**, design **superhero stained glass**, and create colorful **onomatopoeia drawings**. Color **ceramic superhero banks** and explore the art of printmaking while designing **bubble wrap t-shirts**. During these fun and resourceful art experiences, Super Art Heroes create a variety of AMAZING and original works of art using natural, recycled and unconventional art forms and techniques. Both girls and boys will have a blast as members of the League of Super Art Heroes, saving the Earth with exciting and environmentally-conscious masterpieces.
